

Material Safety Data Sheet

Concrete Remedy™ Internal DEEP Seal

Emergency Telephone: 1-800-828-9528 at Lander, Wyoming, USA													
Identification: Concrete Remedy Internal Deep Seal Product Code: DS	<table style="width: 100%; border-collapse: collapse;"> <tr> <td colspan="2" style="text-align: center;">Hazard Rating</td> </tr> <tr> <td style="width: 50%;">4 – Extreme</td> <td style="width: 50%;">Fire 0</td> </tr> <tr> <td>3 – High</td> <td>Health 1</td> </tr> <tr> <td>2 – Moderate</td> <td>Reactivity 0</td> </tr> <tr> <td>1 – Slight</td> <td>Special Hazard 0</td> </tr> <tr> <td>0 – Insignificant</td> <td></td> </tr> </table>	Hazard Rating		4 – Extreme	Fire 0	3 – High	Health 1	2 – Moderate	Reactivity 0	1 – Slight	Special Hazard 0	0 – Insignificant	
Hazard Rating													
4 – Extreme	Fire 0												
3 – High	Health 1												
2 – Moderate	Reactivity 0												
1 – Slight	Special Hazard 0												
0 – Insignificant													
Chemical Identity Information													
Proprietary mixture containing silicates, bonding catalysts and inserts. No hazardous ingredients.													
Physical Data													
Appearance: Clear Liquid Odor: None Boiling point: 212 degrees F. Vapor Pressure: Unknown	Solubility in water: Complete Specific Gravity: 1.094 PH (1% solution) 8.96												
Fire and Explosion Data													
Flash Point: Flammability: Extinguishing Media: Unusual Fire or Explosion Hazard:	Non Flammable - Does not flash N/A N/A N/A												
Health Hazard Data													
Contains no hazardous materials as defined by OSHA and ACGIH.													
Eye(s): Skin: Ingestion:	May cause irritation and redness. May cause redness. Non-Toxic, may cause Gastro-Intestinal problem.												
Emergency and First Aid Procedures													

Material Safety Data Sheet

<p>Eye Contact: Flush with cool clean running water for at least 15 minutes. If irritation persists, get medical attention.</p> <p>Skin Contact: Flush exposed area with clean, running water for at least 15 minutes. If irritation persists, get medical attention.</p> <p>Ingestion: Do not induce vomiting. Dilute with large amounts of water and weak vinegar or orange juice. Get medical attention immediately.</p>	
Special Protection Information	
Protective Gloves:	Rubber gloves recommended
Eye Protection:	Goggles recommended
Respiratory Protection:	None
Local Exhaust:	Good ventilation
Other Equipment:	None
Reactivity Data	
Incompatible Materials:	Do not mix with other chemicals
Stability:	Stable
Hazardous Polymerization:	Will not occur
Hazardous Decomposition:	None
Spill or Leak Procedures	
With small spills or leaks use absorbent material such as sawdust, vermiculite or sand. Larger spills dilute with large amounts of water, before flushing to sewer or drain according to local, state and/or federal regulations.	
Special Information	
Keep container closed when not in use. Store away from heat and do not freeze. Keep out of reach of children.	
The information contained herein is, to the best of our knowledge and belief, accurate. However, since the conditions of handling and use are beyond our control, we make no guarantee of results, and accept no liability for damages incurred by use of this material. It is the responsibility of the user to comply with all applicable federal and local laws. All chemicals may present unknown health hazards and should be used with caution.
